

## **3Delta Systems Appoints Kirt Chronister to Product Manager**

### ***Focus to be on Payment Processing Products, Expanding B2B Opportunities and Sales Channels***

CHANTILLY, Va. – July 27, 2010 – [3Delta Systems, Inc.<sup>®</sup> \(3DSI\)](#), a leader in online credit card payment solutions, today announced the appointment of Kirt Chronister to product manager.

Chronister will focus on identifying new opportunities for 3Delta Systems' suite of business-to-business ([B2B](#)) payment processing and [tokenization](#) products, enhancing the company's sales channels and managing relationships with Value Added Resellers ([VARs](#)). He will also be responsible for expanding the company's product suite and user base as well as delivering increased value to customers.

"Kirt has a proven track record in product management, business development and strategic relationship management across global and regional sales markets – all critical skills that contribute to building awareness of 3Delta Systems' already-strong brand of highly secure payment processing and tokenization services," said Aaron Bills, founder and chief operating officer of 3Delta Systems. "His [Six Sigma](#) experience will also be very useful in our work with enterprises and government agencies that seek to improve their card payment processes, performance and value."

Before joining 3DSI, Chronister held increasingly responsible positions with Fifth Third Processing Solutions and Fifth Third Bancorp in relationship management, merchant conversion and VAR/channel management. Earlier, he specialized in financial sales for National City Bank and in B2B merchant sales for NPC Corporation.

A native of Ohio, Chronister holds an undergraduate degree in psychology from Wright State University in Dayton.

### **About 3Delta Systems**

[3Delta Systems, Inc.](#) [[www.3DSI.com](http://www.3DSI.com)] is a payment solutions company that delivers the power of secure, Internet-based purchase and credit card processing solutions to enterprise, business-to-business and business-to-government customers. 3DSI's complete suite of payment solutions – each designed from the ground up to be scalable, easy to implement and conform with PCI Data Security Standard best practices – enables merchants and buyers to manage, authorize and settle payment transactions in real-time. As a leading Software-as-a-Service ([SaaS](#)) provider, 3DSI has processed over 39 million payment transactions worth more than \$33.5 billion for over 6,000 corporations and government agencies since the company was founded in 1999.
