

Solutions That Pay

3Delta Systems Celebrates Florida Expansion with Ribbon Cutting and Open House *B2B Payments Processing Leader Leases New Space in Gulf Breeze*

GULF BREEZE, Fla. – Jan. 12, 2012 – [3Delta Systems, Inc.](#)[®] (3DSI), a leader in online business-to-business (B2B) [card payment solutions](#), celebrated its expanded presence in the Pensacola region with an open house and ribbon cutting for employees and community leaders at its new Gulf Breeze satellite office. The newly leased space in the Gulf Winds Federal Credit Union Building on Shoreline Drive increases the company's footprint in the area from 1,600 to 4,000 square feet.

“With more capacity for network operations, software engineering and customer support for our expanding payments processing business, we're very excited about our company's future and potential for growth,” said [Aaron Bills](#), founder and chief operating officer of 3Delta Systems. “This new Gulf Breeze location enables us to continue to attract tech-savvy professionals who are energized by new opportunities in the B2B payments industry as well as the prospect of a balanced lifestyle and access to quality neighborhoods and schools.”

“We are thrilled to welcome 3Delta Systems to the city of Gulf Breeze. It is exciting that 3DSI has chosen Gulf Breeze as the location for its satellite office. We hope to work with this growing business as its presence in Northwest Florida develops in the future,” said Beverly Zimmern, mayor of Gulf Breeze.

3Delta Systems, which was founded in 1999, is headquartered in Chantilly, Virginia near Washington, D.C. The company currently employs 12 full-time staff at its new Gulf Breeze satellite location, up from two employees five years ago, when 3DSI first established its local presence.

Note to Editors: High-resolution photographs of the ribbon-cutting ceremony are available on request.

About 3Delta Systems

[3Delta Systems, Inc.](#) is a payment solutions company whose innovative, Internet-based systems for processing credit cards and purchase cards deliver peace of mind to business-to-business and business-to-government customers by increasing their productivity, cutting operating costs, lowering business risk and strengthening security. 3DSI's complete suite of payment solutions are designed from the ground up to be scalable, easy to implement and conform with [PCI Data Security Standard](#) best practices so that merchants and buyers can manage, authorize and settle credit card and p-card transactions in real time. During 2011, 3DSI processed more than 1 million transactions per month worth over \$1 billion for more than 10,000 merchant accounts and 30,000 users who handle corporate and government payments. Since 1999, 3DSI has served more than 6,000 corporations and government agencies. For more information, visit www.3dsi.com.
